**Volume 05, Issue 02**

**May 5, 2022**

Greetings!

As Mother's Day approaches this weekend, I'd like to take a moment to reflect on all the mothers no longer with us (including my own, pictured below), as well as to celebrate all the ones who are still in our lives.

This is also a good time to review any documents for yourself or your parents. Are you prepared for the potential of nursing home expenses? Or Medicaid applications? I've heard it said before that the best time to plant a tree was three years ago. The second best time is today. Proper planning follows the same timeline, so if you've been putting it off, get in touch today!

Did you know the video page of our website includes multiple clips of seminars and full-length webinars? The accompanying handouts are also accessible to download. [Click here to see everything available.](#)

Many of you know -- or can tell by the artwork throughout our office -- that I'm from New Orleans. Today begins the second week of the ***New Orleans Jazz & Heritage Festival***. Unfortunately, I'm too busy in the office to attend, but the radio station WWOZ is once again offering "***Festing in Place***", a live broadcast from the festival today through Sunday. [Click here or on any of the pics below to listen in!](#)

As always, if you, your friends, or family have any questions, we would be happy to hear from you; we sincerely appreciate your business and your referrals.

Regards,
