Volume 05, Issue 05

Greetings!

In just a few weeks, eager young students will begin a new phase of their life as they head off to college. (My own granddaughter, the young girl pictured in the second video below, is about to start at George Washington University!) **As your kids (or grandkids) turn 18, now is the time to create a Medical Power of Attorney** on the off chance that something might happen to them while they're away. It's also a good time to update any wills or trusts as they are no longer a minor child. Check out the two videos below for more information.

Last month we celebrated my 50th year as an attorney, and I'd like to thank all of you who sent in comments and well wishes. We had a small celebration in the office, and there are a few pics from that below.

And finally, a reminder that the office will be closed on Monday, September 5th for observance of Labor Day.

As always, if you, your friends, or family have any questions, we would be happy to hear from you; we sincerely appreciate your business and your referrals.

Regards,
John F. Robbert
