Now in business for 30 years!!!

Hello Brad,

As you may have heard over the weekend, world-renowned musician Jimmy Buffett passed away from what we now know was Merkel-cell carcinoma, a rare, aggressive skin cancer. **What you might not have known was that I used to sing with Jimmy!** We played football together too. True story, and I've got a few pics below from our glory days that I thought I'd share.

A quick reminder for those of you with **children heading off to school** that now is the time to update documents -- theirs *and* yours.

Having just celebrated his two year anniversary as our paralegal / funding coordinator / intake specialist, I thought we'd **shine the employee spotlight on Gary A. Stewart.**

And in case you missed our last issue, I wanted to make sure that you are aware that **our website and email addresses have upgraded** to the much simpler WWW.CLC.ESQ.

As always, if you, your friends, or family have any questions, we would be happy to hear from you; we sincerely appreciate your business and your referrals.

Are your kids or grandkids going off to school?

As your kids (or grandkids) turn 18 and potentially head off to school, now is the time to create a **Medical Power of Attorney** on the off chance that something might happen to them while they're away. It's also a good time to update any wills or trusts as they are no longer a minor child.
