Now in business for 30 years!

Hello Brad,

Hope you had a bewitching Halloween but didn't eat too much candy! As we head into the holiday season -- only 20 days until Thanksgiving and 52 days until Christmas -- we're getting lots of calls and emails from folks wanting to get their planning done (or updated) before the new year. If you fall into that category, it's not too late, give us a call today.

I heard a particularly interesting radio show recently which discussed the now very common reality of families who are balancing the care of young kids and aging adults simultaneously, as well as a decline in the supply of home health aides, and nursing homes for families of low and moderate incomes. The link to the show recording is below, and if it gets you to thinking about your own future, contact us about a Medicaid Asset Protection Trust. Keep in mind that Medicaid does a five-year look back at your finances, so getting your estate properly situated is not something you should put off!

A quick reminder to set your clocks back an hour Saturday night, and that the office will be closed on November 23rd and 24th for Thanksgiving.

call us during office hours:

Monday - Friday 9 am - 5 pm

(Please note we have staff meetings every Tuesday from 9:15 am - 10:15 am, and calls will not be answered by a person during that time.)

And a little dose for you: Walking can add minutes to your life. This enables you at 85 years old to spend an additional 5 months in a nursing home at \$7000 per month.

As always, if you, your friends, or family have any questions, we would be happy to hear from you; we sincerely appreciate your business and your referrals.

Regards,
John F. Robbert
